Application for Deduct Meter

WHAT IS A DEDUCT METER?

A deduct water meter measures the amount of water not discharging into the sanitary sewer system. This would include water used for lawn irrigation systems or outside hose connections. *There shall be no permanent or temporary water piping system that passes water from the deduct meter to any interior water outlet.* The measurement of the deduct meter shall be deducted from the consumers sewer usage based upon the reading of the primary water meter.

WHERE CAN I GET A DEDUCT METER?

Deduct water meters are available for rent from the Village of Birchwood, 715.354.3300, E-mail: kathy@birchwoodvillagewi.com. The fee for a permit to install the meter is attached.

WHO CAN INSTALL A DEDUCT METER?

All deduct meters **MUST** be installed by Village of Birchwood personnel. It is the responsibility of the applicant to make arrangements with the water and sewer utility staff for the installation.
